Information Bulletin: Smooth Operator Campaign

Franconia Station Focuses on Aggressive Driving

Franconia District Station is preparing for the final wave of the 2010 Capital Smooth Operator Program. This public safety initiative targets aggressive drivers throughout four enforcement waves. Franconia officers will be on the lookout for a variety of offenses including speeding, failing to yield the right of way, following too closely, making unsafe lane changes and disregarding both traffic signs and traffic signals.

Franconia Station officers have made traffic stops on 5,043 motorists during the first three waves of the program. They issued 4,214 traffic summonses and 829 warnings. The first wave went from May 30th to June 5th, the second wave went from July 4th to July 10th and the third wave went from August 1st to August 7th. The goal of the enforcement is to increase safety and decrease aggressive driving on our roadways.
